

FINANCIAL DISCLOSURE CONFLICT OF INTEREST GRID

**Marion County Public Health Department
Opioid Safety and Alternatives Conference
Virtual • November 18, 2020**

The Indiana State Medical Association (ISMA) has implemented a process where everyone who is in a position to control the content of an educational activity has disclosed to us all relevant financial relationships with any commercial interest. In addition, should it be determined that a conflict of interest exists as a result of a financial relationship this has been resolved prior to the activity.
